FMJD CHECKERS SECTION

1 October 2017

New World Champion

The 2017 3-move World Title Match was held 11-21 September in Livorno, Italy. Challenger Sergio Scarpetta won the match 6-1 with 29 draws over Michele Borghetti and becomes new 3-move World Champion! There are many to acknowledge for supporting this match, but I thank FID, referee Alan Millhone, Ingo Zachos with publicity, and the Dama Club of Livorno (especially Gianfranco Borghetti).

2017 World Qualifier and Women World Championship

The 2017 World Qualifier and Women's World Championships were held in Petal, Mississippi on 31 July through 3 August 2017 at the International Checker Hall of Fame. Congratulations go to Lubabalo Kondlo who travelled from South Africa to win both US National GAYP Tournament and the WCDF World Qualifier back-to-back. Nadiya Chyzhevskaya regained the GAYP Women's World Title. (She also won in 2012-2014). I also thank Kim Willis for preparing a tournament photo CD -- a few sample photos are at the end of this document. Many thanks go to Charles Walker and company for hosting the tournament, as well as providing food and lodging for most of the players. As in 2015, we again had a tie on points for first place for the men, with the final positions this time decided by mini-league. The top finishers are listed below.

Finish	Men:	Finish	Women:
1.	Lubabalo Kondlo (Eastern Cape Draughts Assoc.)	1.	Nadiya Chyzhevskaya (Ukraine)- New Ladies GAYP Champ
2.	Alex Moiseyev (USA)	2.	Tetiana Zaitseva (Ukraine)
3.	Melikaya Nonyukela (Eastern Cape Draughts Assoc.)	3.	Wynell Neverson (Barbados)

Youth Situation

At the start of World Qualifier week, the 2017 Youth Open tournament was cancelled due to insufficient turnout, and the GAYP youth title left vacant. During the 2017 General Assembly, the members approved raising the youth cut-off age to match that of FMJD. Youth are now eligible provided they are age 19 (or younger) on December 31st of the same year in which they compete in the youth championship. An independent youth challenge match was arranged between Tetiana (Tanya) Zaitseva (Ukraine) and Elia Cantatore (Italy) the day after completion of the World Qualifier and Woman's World Championship. Alex Moiseyev served as referee. The 10-game match was won by Tetiana Zaisteva 5-1 with 2 draws. Congratulations to our new GAYP youth Champion!
